Episode 68 – Special Guest:
 David Christ

In our most metaphysical episode yet, I'm joined by my good friend "David Christ" who has found his own life to be a very Pat Solitano-ish journey of lost love, mental illness, and ultimately redemption. DC is a comedian, musician, filmmaker, and soon to be an actor in an upcoming movie filming at the end of the month.

- Does DC think it can be a date if the guy orders Raisin Bran for dinner?
- What should your goal be as an entertainer/content creator?
